

I Want To Know What Love Is

Verse 1

I gotta take a little time, a little time to think things over
I better read between the lines, incase I need it when I'm older

Ooooo

Now this mountain I must climb, feels like a world upon my shoulders
I through the clouds I see love shine, it keeps me warm as life grows colder

Pre-Chorus

In my life there's been heartache and pain, I don't know if I can face it again
Can't stop now, I've traveled so far, to change this lonely life

Chorus

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

Verse 2

I'm gonna take a little time, a little time to look around me
I've got nowhere left to hide, it looks like love has finally found me

Repeat Pre-Chorus

Repeat Chorus (x2)
