

# Up

## Verse 1

I drew a broken heart, right on your window pane  
Waited for your reply, here in the pouring rain

Just breathe against the glass, leave me some kind of sign  
I know the hurt won't pass, yeah  
Just tell me it's not the end of the line, just tell me it's not the end of the line

## Chorus

I never meant to break your heart, I won't let this plane go down  
I never meant to make you cry, I'll do what it takes to make this fly, oh  
**You gotta hold on, hold on to what you're feeling**  
**That feeling is the best thing, the best thing, alright**  
I'm gonna place my bet on us  
I know this love is heading, in the same direction, that's up

## Verse 2

You drew a question mark, but you know what I want  
I wanna turn the clock, yeah, right back to where it was  
**So let's build a bridge, yeah, from your side to mine**  
**I'll be the one to cross over**  
Just tell me it's not the end of the line  
Just tell me it's not the end of the line

## Repeat Chorus

## Middle 8

Girl, I know we could climb back to where we were then  
Feel it here in my heart, put my heart in your hand  
Well, I hope and I pray that you do understand,  
If you did, all you have to say is

Yeah, yeah, yeah, yeah, yeah (x3)  
I'm waiting for you  
Yeah, yeah, yeah, yeah, yeah (x3)

## Repeat Chorus
